Cautionary Statement with Respect to Forward-Looking Sta

Cautionary Statement with Respect to Forward-Looking Statements
This report contains forward-looking statements that reflect Toyota's plans and expectations. These forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors that may cause
Toyota's actual results, performance, achievements or financial position to be materially different from any future results, performance, achievements or financial position expressed or implied by these forward-looking statements. These factors include:
(i) changes in economic conditions and market demand affecting, and the competitive environment in, the automotive markets in Japan, North America, Europe and other markets in which Toyota operates(ii) fluctuations in currency exchange rates,
particularly with respect to the value of the Japanese yen, the U.S. dollar, the Euro, the Australian dollar and the British pound;(iii) Toyota sability to realize production efficiencies and to implement capital expenditures at the lever's and times planted by
management;(iv) changes in the laws, regulations and government policies in the markets in which Toyota operates(vi) optical a instability in the
markets in which Toyota operates(vi) Toyota's ability to timely develop and achieve market acceptance of new products; and(viii) fuel shortages or interruptions in transportation systems, labor strikes, work stoppages or other interruptions to, or
difficulties in, the employment of labor in the major markets where Toyota purchases materials, components and upplies for the products of whore produced, distributed or sold.

A discussion of these and other factors which may affect Toyota's actual results, performance, achievements or financial position is contained in Toyota's annual report on Form 20-F, which is on file with the United States Securities and Exchange Commission.
